INTRODUCTION

After 15 years in a wheelchair,
God healed me from a spinal back disease
and changed my life forever.
And He wants to do the same in your life,
if you will let Him.

Today, if you need God's healing power in your
life, don't let the worries of your day bring
discouragement! Instead choose this very
moment to stand on God's Word and His
Promises of LIFE, Health and Wholeness!

The Bible doesn't return void to God, until it
accomplishes all God wants it to and when you
confess God's Word, you can believe with
confidence that each Word is working,
penetrating it's way into every cell of your body
and circumstances you face.

I suggest that you set aside time each day to
pour these healing verses over your mind,
body and soul. Learn to meditate on their
meaning and what each one is speaking into
you.

Remember that Jesus gained victory over sin
and sickness. Claim your healing through the
stripes Jesus endured; open your life up to
receive what God already has done for you.
Everyday bring God's word more into your life,
declaring the Lord's goodness and rebuking the
power of sickness, diseases and the enemies
oppression.

The Bible says 'You are dead to sin, alive in
Christ' [Romans 6v1] the fullness of His Word
in your cells!

Do not be afraid!
Just believe!

PRACTICING GRATITUDE

Before you begin your prayer exercise, I suggest that you approach God with a heart and mind of thanksgiving for all that Jesus has already done! Thankfulness takes the sting out of all adversity. That is why God instructed us to "Give thanks in all circumstances; for this is God's will for you in Christ Jesus."
(1 Thessalonians 5:18)

There is an element of mystery in this transaction. You give thanks (regardless of your circumstances).

This is a spiritual act of obedience to God! But when you don't know God intimately, such an act of obedience can seem almost irrational and even impossible to do – Thanking God in the midst of hardship! Nevertheless those who obey God in this way are undeniably blessed, even though their difficulties may still remain.

Listen to what God says;
"Those who sacrifice thank offerings honour me, and to the blameless. I will show them my salvation." (Psalm 50:23)

The negative focus on our situation can lead us to eventually give up to the temptation of worry and concern.

The truth is, the continuous focus on your problem, will only strengthen your faith in your problem, more than you would have strengthened your faith in the healing that has already been provided for you in Christ!

Give thanks - Always!

Instead, let thankfulness open your heart to God's Presence and your mind to His thoughts.

You may still be in the same place with the same set of circumstances, but as you practice thankfulness, it is as if a Light has been switched on, enabling you to see from God's own perspective.

Precious, understand that it's the Light of His Presence that Removes the sting from adversity!

In everything, Give thanks!

Wonderful Example:

Here is an example of a grateful heart in action in this letter:

Dear Lord,

You know how I am struggling and how bleak everything looks right now. I am not only finding it difficult to pray, it' is nearly impossible for me to be grateful and not to be bitter all the time. Yet I know that my emotions are deceiving.

They reflect only a portion of the whole story. So, in spite of my dark frame of mind, Lord, I choose to follow your command as you gave us your Word in 1 Thessalonians 5:18; saying: "In everything give thanks!" And in Deuteronomy 30:20; saying: " I choose Life, that both me and my descendants may live!"

Lord hear my heart when I say thank you Father that the sun is shining brightly today and shows the beauty all around me. Thank you for the people you have placed in my life who bring me laughter and comfort in hard times, as well as friendship and love in good times.

Even when I am not sure how you do it, you supply the things I truly require. Thank you Lord for the interests, hobbies and abilities that gives me much pleasure, a gift that is from you! Thank you Father that I need not fear for my family and I or for my own physical health and safety!

Thank you for the possibility of hope in all situations that I am facing. And especially, thank you Lord for loving me enough to die for me!

My Declaration of Faith:

God is not mad at you – He cares about all your wounds,
Not just in your physical, but your emotional ones too, for these can
often hurt the deepest and yet can easily be overlooked.

God can and wants to reach down and heal even the deepest hidden
wounds of your heart.

Are any of you sick? You should call for the elders of the church to come and pray over you, anointing you with oil in the name of the Lord.
